SIR

I have the honour to inform you that the present Government building of the Anglo-Vernacular School at Srinivaspur is situated in an unhealthy locality and cannot accommodate all the classes. A building hired for a monthly rent of Rs 3/- is also unsuitable for the purpose of the school there is no play ground attached to the school at present It is necessary therefore to construct a spacious building in a healthy locality and provide for a suitable play ground The Deputy Commissioner, Kolar District states that a good ground belonging to a private individual and measuring 3½ acres has been reserved near the New Extension of the Srinivaspur Town for the School and that he would

arrange to acquire the land for a compensation of Rs 350/- at Rs 100/- per acre. As soon as funds become available a building will have to be constructed on the ground referred to. In the meanwhile the land reserved may be required. I request that Government may be pleased to sanction the acquisition and the payment of the compensation amount of Rs 350/- from the sum of Rs 5,000/- made available out of Rs 13,500 allotted for Taluk School Buildings by re appropriation from the D.P.I.
